► Bodyweights collected on July 24, 2023.
NOTE: THESE BULLS ARE 100% GRASS RAISED - NO GRAIN!
 ► Scrotal measurements collected 26/7/2023
 ► Independent structural/docility assessments carried out by Dick Whale, Independent Breeding & Marketing Services (IBMS), on January 30, 2023
 ► ADG = average daily weight gain since birth, in kilograms
 ► All bulls have passed their semen test (crushside and morphology), as carried out by Dr Hennie Strydom, Wellington Veterinary Hospital
 ► Bulls vaccinated with Pestigard, 7-in-1 and drenched with Cydectin Platinum Pour-on on 26/7/2023
 ► Pricing has been determined in close consultation with Dick Whale, IBMS, who attends several Angus bull sales each year and has a solid understanding of the bull market.

Independent Structural/Docility Assessments
